

Hello Camp Fire families –

In May, we made the difficult decision to cancel all summer programs. It was a heartbreaking decision to make, yet we know it was the right one.

We are reaching out to you now because your family has unallocated funds in your account from the 2020 season. ***Complete the form below by November 6, 2020 to tell us how to direct your funds.***

[Complete the form](#)

You can choose to:

- **Donate your funds:** We have been hit especially hard financially since canceling our summer camps as they represent 75% of our income. Your support will help us weather this crisis, ensuring we can continue to serve youth and families.
- **Defer your funds to 2021:** Roll over your balance to any 2021 program and get priority registration for 2021.
- **Get a refund:** You can request a full or partial refunds of any remaining funds, which will be processed by the end of December.

We anticipate that many 2021 programs will fill quickly, as we will likely need to run at a reduced capacity. If you choose to defer or donate your funds, you'll be eligible for priority registration – two weeks before registration opens to the public.

November 6 is the final deadline to request a refund or a deferral.

You can [login here](#) to view your current account balance, or contact us at michaelm@campfireseattle.org or 206 826 8937 if you have any questions.

We're busy planning for next summer! Watch your inbox for an announcement about the Summer 2021 Calendar and registration open dates.
