

Camp Fire Day Camp COVID-19 Response Chart

Our primary responsibility is to the overall health and safety of the entire camp community. Communicable disease is a frequent concern at camp, so we will take steps to reduce contagion among campers and staff; including both COVID-19 and non-COVID contagious illnesses. The following chart indicates our decision-making process for cases of contagious illness, positive COVID tests, and exposure to individuals testing positive for COVID.

Refund Policy

Cancellation: If your child cannot attend camp due to testing positive, close contact exposure to someone testing positive, or a non-COVID contagious illness, we will work with you to determine the best option, including **rescheduling, credit, or refund.**

- **Reschedule:** In some cases, we can reschedule your child for a later session in the summer (depending on availability). There is no cost to reschedule unless switching into a more expensive program.
- **Credit or Refund:** If we cannot reschedule for a later session, you can request a credit of the amount paid, to be used in the 2023 camp season; or a full refund.

Leaving Early: If your child must leave camp after the session starts due to illness or COVID exposure, you can request a pro-rated credit or refund for the amount of time missed.

All requests for refunds or credits must be received in writing no later than August 31. Credits must be used in the 2023 season – registration opens in November for overnight camp at Camp Sealth and January for Day Camps in the community, and our programs are expected to fill quickly.
