How Does Tiered Pricing Work?
Summer Camp is a living, breathing operation - Here is roughly what goes into a single week at camp per camper:

We price camp honestly to deliver the experience you're trusting us with.
Each Tier of camp offers your camper the same experience.

We offer tiered pricing as a way for families to invest in our camp and facilities; choose the option that best fits your family's financial situation.
Tier A covers the basic cost of camp.
Tier B covers all of the basic camp costs and contributes to long-term costs.
